

Income Protection

Key features document

What is the purpose of this document?

The Financial Conduct Authority is the independent financial services regulator. It requires us, The Shepherds Friendly Society Ltd, to give you this important information to help you to decide whether our Income Protection is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

Its aims

To provide:

- A regular income when you are not able to work (incapacitated) due to illness or injury, no matter how many times you make a claim as long as you are in employment at the date the incapacity starts. (If you are not working when incapacity starts see House Persons Benefit below).
- A choice of when benefits will commence based on the length of your chosen Waiting Period. This can be day 1, 1 week, 4 weeks, 8 weeks, 13 weeks, 26 weeks, or 52 weeks.
- For all Waiting Periods benefit is paid if you are totally unable to perform all the essential duties of the job you were in at the date your incapacity started.
- If you become unemployed after the start of the plan and as a result of an incapacity, you are unable to perform, without the help of another person, three of the Activities of Daily Living we will pay House Persons Benefit for a maximum of 12 months (See our Terms and conditions for full details and all requirements.)

Your commitment

- To pay your initial and future increased regular monthly premiums for a specified number of years or until the plan ends.
- To give us accurate and honest answers to questions we ask about your health and lifestyle at application and at claim.

- To ensure you do not exceed the permitted benefit level of 70% of income from all sources.
- To review your level of benefit if your income increases or decreases or if you become unemployed.

Risks

- If you stop paying premiums under this plan, your benefit will cease.
- If your income increases and you do not review your benefit level, you may not have sufficient benefit to meet your needs when you make a claim.
- If your income decreases and you do not review your benefit level, you may not be able to claim the full amount of benefit you applied for when the plan started, or you may only be entitled to House Persons Benefit if you are unemployed at the date of incapacity.
- If you cancel your plan, you will not receive any money back.
- Benefits received from this plan may affect your entitlement to any other benefit.
- If you do not give us accurate and honest answers about your health and lifestyle, we may not pay the benefit in the event of a claim.

Questions & Answers

What is Income Protection?

Shepherds Friendly Income Protection is primarily designed to provide a monthly benefit to the self-employed and for anyone who does not receive an income or only a limited income from their employer in the event they are unable to work due to accident or sickness.

The aim of the plan is to replace up to 70% of your pre-incapacity income in the event you become unable to work because of an illness or accident.

Warning: If you are unsure of how much of your income you can, cover then please ring our member service team on 0800 526 249 for further help before applying.

Who can have a Shepherds Friendly Income Protection Plan?

To be eligible to apply for a plan you must be between 16 and 60 years of age, employed or self-employed.

The maximum term of the Income Protection plan is up to your 70th birthday. The minimum term of the plan is five years.

You must be subject to UK taxation and hold a UK Bank or Building Society account.

You must be resident and have been resident in the UK for at least 36 months prior to the date of signing the application.

United Kingdom - For the purposes of the Plan the United Kingdom includes the Isle of Man. Please note different tax rules may apply if you are a resident of the Isle of Man.

You must be registered and have been registered with a UK Medical Practice for at least 36 months prior to the date of signing the application.

What are the benefits of this Income Protection Plan?

We will pay Benefits up to the maximum level of the lower of 70% of your annual income or £49,000. The minimum level of Benefits is determined by the requirement to have a minimum monthly premium of £5.

If self-employed your income is based on the average of the last three years annual net profit.

Two Year Limited Benefit Option - At the start of the plan (but not subsequently), you have the option to limit the period in which Benefits are payable to a maximum of two years for each claim.

Guaranteed Insurability Option - With Guaranteed Insurability Option, provided you remain within the maximum levels of Benefits, you can increase your benefit amount should certain 'life events' such as a mortgage increase, marriage, birth of a child or divorce take place, without you having to complete another full application form.

How long do I have to wait before I receive a benefit?

The Benefit will be paid after the expiry of your chosen Waiting Period. The Waiting Period is the length of time from when you become unfit for work and totally unable to carry out your Own Occupation to the date when we start to pay sickness benefit.

You can choose the Waiting Period from the following options at the start of the plan. The options are; day 1, 1 week, 4 weeks, 8 weeks, 13 weeks, 26 weeks and 52 weeks.

You can change the Waiting Period after the Income Protection has started (except when you are in claim). However, we may require further underwriting.

We will stop making sickness benefit payments on the first of any of the following:

1. Your Doctor declares that you are able to perform all the essential duties of your Own Occupation.
2. You no longer have any loss of Income.
3. The House Persons Benefit Term, or Temporary Residence Abroad Benefit Term ends.
4. Your plan end date is reached, or you die.
5. If you have selected the Two Year Limited Benefit option when the two year maximum period under that option ends.
6. You fail to meet the Terms and Conditions of Income Protection.

The payment of premiums

The premium is payable monthly in advance by Direct Debit.

Between certain ages premiums are increased each year on the anniversary of the plan in line with the published rate table. Rates vary depending on your level of Benefit, age and your chosen Waiting Period.

Premiums are also reviewable at our discretion during the lifetime of the Income Protection. We do not expect this to happen very often, but we reserve the right to do this.

Is waiver of premium included?

Waiver of premium is included in the Income Protection plan. Whilst you are in Claim, we will not collect any premiums for the period commencing 4 weeks after the expiry of the Waiting Period until your claim ends.

Indexation Option

With this option, the benefits and premiums will automatically increase in line with the Retail Price Index (RPI) annually. Indexation will be applied annually once the plan has been running for at least a year. We will remind you of the increase before it comes into force. The increase will apply to the whole premium, including all options and benefits. Indexation can only be applied for at the beginning of the plan.

What if my circumstances change?

The Shepherds Friendly Income Protection Plan is flexible. You can request a change to the Benefit level, Waiting Period and end Term except when you are claiming or in receipt of benefit.

All changes are subject to further underwriting and subject to our prior agreement. Before we agree to any changes we will assess all requests based on your circumstances at the time. We will need to consider whether there has been any changes in your health, employment, occupation or lifestyle since you started the initial Income Protection Plan. We will also require evidence of your income, to check that any changes comply with the permitted Benefit levels of this plan.

Making a change to your plan may result in us asking you to pay a different level of Premium or accept special terms.

You should review your cover against your Income on a regular basis to ensure you have enough cover for your needs but not more than the maximum Benefit level.

If your circumstances change, you must tell us. For example; if your earnings reduce or increase, you become unemployed, if you change employment, or change how you work (e.g. employed to self-employed).

House Persons Benefit

If you become unemployed, you will only be entitled to House Persons Benefit (subject to meeting the criteria), which is restricted up to a maximum benefit level of £1,500 per month payable for a maximum period of 12 months. This is a reduced Benefit for a reduced payment term. (See our Terms and Conditions for details).

Career Break

You may apply to suspend cover and premium payments under your plan for a minimum continuous period of 3 months and up to a maximum continuous period of 24 months. This is known as 'Career Break'. You will not be able to make a claim or request any changes to your plan during a Career Break. (See our terms and conditions for details).

What happens if I stop paying my premiums?

Please be aware that you are responsible for making sure that you keep your payments up to date.

If you do not pay your premiums:

- We will not pay Benefit when you make a claim.
- If you fail to make a premium payment on a third consecutive due date, the plan will end automatically with immediate effect

The plan has no cash in value.

Once I have applied what if I change my mind?

Once we have received and processed your application we will send you the plan documents. Included with these will be a "right to cancel" notice.

If you are not happy that you have done the right thing then just return this notice to us within 30 days and we will then refund any premiums paid, unless you have been paid Benefits during this period.

You can cancel any time after the first 30 days, but you will not be refunded any premiums you have paid.

If you wish to cancel the plan, please write to Shepherds Friendly at the address shown in this document.

Exclusions

There are certain circumstances where we will not pay out on a claim. For example, we will not pay Benefit for an injury or illness caused by War, an invasion, hostilities, cosmetic surgery for non- medical reasons, or by taking part in a dangerous activity and failing to use the correct equipment or failed to undertake and utilise the appropriate training.

For a full list, please see our Terms and Conditions.

What about Tax?

Under current legislation and HMRC practice, benefit(s) payable under this plan are normally free from Income Tax and Capital Gains Tax for UK residents. The tax treatment of the Plan may change in the future.

NB: Different tax rules may apply if you are resident in the Isle of Man.

How to claim?

As soon as you think you may need to make a claim please contact us by phone on **0800 526 249**. The claims department will explain the claims process and send you a claim form. At this point we may ask for evidence of your earnings and your health.

Please notify us as soon as possible if you have an illness or injury which you think might lead to a claim in due course. In any event you must notify us of a claim at least 14 days before the first expected benefit payment.

For Day 1 or Week 1 Waiting Period, you must notify us within 14 days of the start of your incapacity.

If you are late in submitting a claim we will make the first payment as soon as we can, but we will not back date it to the start of the illness. However, we will not apply this condition if your incapacity has physically prevented you from meeting it or if you have been confined in hospital.

Please also remember that the waiting period commences from the first date of your illness/incapacity and not from the date we receive your claim form.

How much will any advice cost?

Your financial adviser (if you have one) will give you details about the cost of advice. The amount will depend on how much you are paying each month and the length of your Income Protection.

Where can I find out more?
