

Simple Income Protection

Key features document

What is the purpose of this document?

The Financial Conduct Authority is the independent financial services regulator. It requires us, The Shepherds Friendly Society Ltd, to give you this important information to help you to decide whether our Simple Income Protection is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

Its aims

To provide:

- A regular income when you are not able to work (incapacitated) due to sickness or accident, no matter how many times you make a claim as long as you are in employment at the date the incapacity starts. (If you are not working when incapacity starts see House Person Benefit below).
- A choice of when benefits will commence based on the length of your chosen Waiting Period. This can be 2 weeks, 4 weeks, 8 weeks, 13 weeks, 26 weeks, or 52 weeks.
- For all waiting periods benefit is paid if you are totally unable to perform all the essential duties of the job you were in at the date your incapacity started.
- For waiting periods of 26 and 52 weeks once benefit has been paid for 24 months it will only continue to be paid if you are not able to do a job for which you have training or experience.
- If you become unemployed after the start of the plan and as a result of an incapacity, you are unable to perform, without the help of another person, three of the Activities of Daily Living we will pay House Persons Benefit for 12 months (See our Terms and conditions for full details and all requirements.)

Your commitment

- To pay your initial and future increased regular monthly premiums for a specified number of years or until the plan ends.

- To give us accurate and honest answers to questions we ask about your health and lifestyle at application and at claim.
- To ensure you do not exceed the permitted benefit level of 70% of income from all sources, or £4800 per year if you become a houseperson.
- To review your level of benefit if your income increases or decreases or if you become unemployed.

Risks

- If you stop paying premiums under this plan your benefit will cease.
- If your income increases and you do not review your benefit level you may not have sufficient benefit to meet your needs when you make a claim.
- If your income decreases and you do not review your benefit level you may not be able to claim the full amount of benefit you applied for when the plan started, or you may only be entitled to House person cover if you are unemployed at the date of incapacity.
- If you cancel your plan you will not receive any money back.
- Benefits received from this plan may affect your entitlement to any other benefit.
- If you do not give us accurate and honest answers about your health and lifestyle we may not pay the benefit in the event of a claim.

Questions & Answers

What is the Simple Income Protection?

Shepherds Friendly Simple Income Protection is primarily designed to provide a monthly benefit to the self-employed and for anyone who does not receive an income or only a limited income from their employer in the event they are unable to work due to accident or sickness.

The aim of the plan is to replace up to 70% of your pre-incapacity income in the event you become unable to work because of an illness or accident.

Warning: If you are unsure of how much of your income you can cover then please ring our customer service team on 0800 526 249 for further help before applying.

Who can have Simple Income Protection?

You must be working in a paid occupation and aged from 16 up to and including age 59 at the start of the plan.

You must be subject to UK taxation and hold a UK Bank or Building Society account.

You must be resident and have been resident in the UK for at least 36 months prior to the date of signing the application.

You must be registered and have been registered with a UK Medical Practice for at least 36 months prior to the date of signing the application.

What are the benefits of this Simple Income Protection?

The maximum benefit at the start of Simple Income Protection is £49,000 per year. The minimum benefit is determined by the requirement to have a minimum premium of £5 per month.

We will pay Benefit calculated at a maximum of 70% of your pre-incapacity income. If you are employed this calculation is based on

your last 12 months gross income pre-incapacity. If you are self employed it is based on your last 3 years net income pre incapacity.

How long do I have to wait before I receive any benefit?

The benefit will be paid after the expiry of your chosen waiting period. The waiting period is the length of time from when you become unfit for work and totally unable to carry out your Own Occupation to the date when we start to pay sickness benefit.

You can choose the waiting period from the following options at the start of the plan.

The options are; 2 weeks, 4 weeks, 8 weeks, 13 weeks, 26 weeks and 52 weeks.

You can change the waiting period after the Simple Income Protection has started (except when you are in claim). However we will require further underwriting.

We will stop making sickness benefit payments on the first of any of the following:

1. Your Doctor declares that you are able to perform all the essential duties of your Own Occupation (all waiting periods)
2. Where the 26 week or 52 week waiting period applies and you have been paid benefits for 24 months and you are able to do a Suited Occupation
3. You no longer have any loss of Income
4. The House Persons Benefit Term, or Temporary Residence Abroad Benefit Term ends
5. Your plan end date is reached or you die
6. You fail to meet the Terms and Conditions of Simple Income Protection.

The payment of premiums

The premium is payable monthly in advance by Direct Debit.

Premiums are increased each year on the anniversary of the plan in line with the stated rates in the Rate Table (published from time to time). Rates vary depending on your level of benefit, age and your chosen waiting period.

Premiums are also reviewable at our discretion during the lifetime of the Simple Income Protection. We do not expect this to happen very often but we reserve the right to do this.

Is waiver of premium included?

Waiver of premium is included in the Simple Income Protection. Whilst you are in claim we will not collect any premiums after the expiry of the waiting period plus 4 weeks up until your claim ends.

Indexation

With this option, the benefits and premiums will automatically increase in line with the Consumer Price Index (CPI) annually. This increase will not come into force until the Simple Income Protection has been running for at least a year. We will remind you of the increase before it comes into force. The increase will apply to the whole premium, including all options and benefits. Indexation can only be applied for at the beginning of the plan.

What if my circumstances change?

Simple Income Protection is flexible. You can request a change to the benefit level, waiting period and end term at any time except when you are claiming or in receipt of benefit.

All changes are subject to further underwriting and subject to our prior agreement. Before we agree to any changes we will assess all requests

based on your circumstances at the time. We will need to consider whether there has been any changes in your health, employment, occupation or lifestyle since you started the initial Simple Income Protection. We will also require evidence of your income, to check that any changes comply with the permitted benefit levels of this plan.

Making a change to your plan may result in us asking you to pay a different level of Premium or accept special terms.

You should review your cover against your Income on a regular basis to ensure you have enough cover for your needs but not more than the Maximum Benefit level.

If your circumstances change you must tell us. For example; if your earnings reduce or increase, you become unemployed, if you change employment, or change how you work (eg employed to self employed).

If you become unemployed you will only be entitled to House Persons Benefit (subject to meeting the criteria), which is restricted to a maximum benefit level of £4800 p/a for 12 months. This is a reduced benefit for a reduced payment term. (See our terms and conditions for details). You may therefore decide during a period of unemployment to request a "Career Break" option but you must request this before any period of incapacity starts.

What happens if I stop paying my premiums?

Please be aware that you are responsible for making sure that you keep your payments up to date.

If you do not pay your premiums:

- We will not pay benefit when you make a claim.
- If your bank returns a direct debit payment, or we are notified that you

have cancelled the direct debit instruction, we will try and claim the premium once more. If the payment is not then made, cover will cease and the plan will be cancelled with immediate effect.

The plan has no cash in value.

Once I have applied what if I change my mind?

Once we have received and processed your application we will send you the plan documents. Included with these will be a "right to cancel" notice.

If you are not happy that you have done the right thing then just return this notice to us within 30 days and we will then refund any premiums paid.

You can cancel any time after the first 30 days but you will not be refunded any premiums you have paid.

If you wish to cancel the plan please write to Shepherds Friendly at the address shown in this document.

Exclusions

There are certain circumstances where we will not pay out on a claim. For example we will not pay benefit for an injury or illness caused by War, an invasion, hostilities, cosmetic surgery for non-medical reasons, or by taking part in a dangerous activity and failing to use the correct equipment or failed to undertake and utilise the appropriate training. For a full list please see our Terms and Conditions.

What about Tax?

Benefits are currently payable free of tax, provided they are being used to replace income lost through illness or an accident.

Please remember that Taxation rules can be changed by HM Revenue and Customs in the future.

How to claim?

As soon as you think you may need to make a claim please contact us by phone on **0800 526 249**. The claims department will explain the claims process and send you a claim form. At this point we may ask for evidence of your earnings and your health.

Please notify us as soon as possible if you have an illness or injury which you think might lead to a claim in due course. In any event you must notify us of a claim at least 14 days before the first expected benefit payment.

If you are late in submitting a claim we will make the first payment as soon as we can, but we will not back date it to the start of the illness. However, we will not apply this condition if your incapacity has physically prevented you from meeting it or if you have been confined in hospital.

Please also remember that the waiting period commences from the first date of your illness/incapacity and not from the date we receive your claim form.

How much will any advice cost?

Your financial adviser (if you have one) will give you details about the cost of advice. The amount will depend on how much you are paying each month and the length of your Simple Income Protection.

Where can I find out more?

Before your Simple Income Protection starts we will send you the full terms and conditions; this explains how the Simple Income Protection works. If you would like to see these terms and conditions before you apply please contact us:

Phone: 0161 428 1212

Fax: 0161 428 3666

e-mail: info@shepherdsfriendly.co.uk

More information

Claims - to make a claim please contact us by phone on 0161 428 1212 and ask for the Claims Department. They will explain the claims process and send out a claim form.

Cancellation Rights - after we accept your application, we will send you a notice of your right to cancel. You will then have 30 days to change your mind and leave the plan.

Complaints - if you want to make a complaint; please contact:

Compliance Officer, Shepherds Friendly, Shepherds House, Stockport Road, Cheadle SK8 2AA
Phone: 0161 428 1212. Email: info@shepherds.co.uk

If we don't deal with your complaint to your satisfaction you can complain to the:
Financial Ombudsman Service, South Quay Plaza, 183 Marsh Wall, London E14 9SR. Phone: 0845 080 1800

Making a complaint will not affect your right to take legal action.

Financial Services Compensation Scheme (FSCS) - we are covered by the FSCS, which means you may be entitled to compensation under the terms of the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

For long term plans such as this the scheme covers 100% of the claim with no upper limit.

Further information about the scheme is available from the FSCS -

7th Floor, Lloyds Chambers, Portsoken Street, London E1 8BN.

Visit: www.fscs.org.uk or call: 0207 892 7300 or 0800 678 1100.

Financial Crime - we will take measures to protect members against financial crime. We may need proof of identification on application or claim and if required we may gather this proof by electronic means, for example checking Electoral Registers.

Tax - information that we provide in this leaflet about taxes in the UK is based on our understanding of current laws and HM Revenue and Customs practice which may change in the future.

The Data Protection Act - you have the right to ask to see any personal information which we may hold about you and to have any mistakes in this information corrected. You can do this by writing to the data protection officer at our head office. There may be a charge for this.

Law - the plan is governed by the laws of England and Wales.

If you require guidance please speak to your financial adviser or visit:

www.shepherds.co.uk

to make members feel valued
